

Tours Planned on September 13 – Course A Zhonghua Gate & Qinhuai River Scenic Belt	
Visiting Time	Detailed Itinerary
13:00	Gather in the hotel lobby and depart for our destination.
13:30 - 15:30	<p>Zhonghua Gate</p> <p>Zhonghua Gate holds the unique distinction of being both the largest castle-style city gate in China and a vital component of the most intricate castle structure in the world. Its grand scale, detailed design, and remarkable craftsmanship make it a significant landmark in China's military and architectural traditions.</p> 
16:00 - 17:30	<p>Qinhuai River Scenic Belt</p> <p>As a 5A national tourist attraction, it offers a rich blend of history, culture, and local traditions. Highlights include the scenic Qinhuai River, the iconic gateway inscribed with "Center of Culture," and the picturesque Wende Bridge.</p> <p>Wuyi Lane</p> <p>It is not only the most ancient but also the most renowned lane in China. During the Three Kingdoms period, it served as the location for Wu Guomao's army barracks in the stone city. As the soldiers wore black uniforms, the lane was named "Wuyi," meaning "black clothes." In the early Eastern Jin dynasty, it became the residence of the esteemed minister Wang Dao, and later on, it transformed into a residential area for influential families.</p> <p>The Qinhuai Painted Boat Cruise and experience millennium-old history and culture</p>

Tours Planned on September 13 – Course B Niushou Mountain & Usnisa Palace	
Visiting Time	Detailed Itinerary
13:00	Gather in the hotel lobby and depart for our destination.
13:30-17:00	<p>Niushou Mountain & Usnisa Palace</p> <p>Niushou Mountain is a famous mountain in China known for its natural beauty and cultural significance. Located on the west peak of Niushou Mountain, Usnisa Palace belongs to the pit construction, which is 220 meters long, 160 meters wide, and 89.3 meters high. The single building area covers about 136,000 square meters. It is based on different supporting themes. According to other supporting contents, the outside space is divided into two parts: the large and small dome, meaning external and internal support. The inside consists of nine floors, with six underground beds and three feet on the ground. The six underground floors are made up of the Usnisa Hall and Usnisa Worshipping Palace.</p> <p>Thousand-Buddha Hall</p> <p>The primary color of Thousand-Buddha Hall is red, yellow, and dark gold, and the plane is elliptic. The whole space is dome-shaped, consisting of 3 floors, with a total height of 28 meters. On its external circle is the Ten Thousand-Buddha Corridor. The layout of the Thousand-Buddha Hall is arranged according to five regional Buddhas of the Avatamsaka realm. The Great Stupa of Usnisa, representing the Vajradhatu Mahāvairocana, is set as the center. Together with Four Paramita Bodhisattvas, Four Regional Buddhas, 16 Bodhisattvas for Approach to Buddhist Wisdom, the Four Guiding Bodhisattvas, and Eight Supporting Bodhisattvas, the scene of the Fourth Buddhist Ceremony for Supporting of Vajrs-dhatu Mandala is displayed.</p> <div style="display: flex; justify-content: space-around;">   </div>
